**FOR IMMEDIATE RELEASE:**

## **FAA Awards Northcross Group with eFast Contract**

**Portland, Maine, September 2, 2013** – Northcross Group (NCG) was recently awarded a multi-year Master Ordering Agreement (MOA) by the Federal Aviation Administration (FAA) as part of its Electronic FAA Accelerated and Simplified Task (eFAST) contract. eFAST is the FAA's preferred contracting vehicle for small business contracts. Currently over 500 companies are eFAST MOA Holders in the United States.

“The NCG Team has a wealth of experience in aviation and aerospace in both the public and private sectors. The eFAST vehicle provides an significant opportunity to engage in a wide range of opportunities for the FAA to leverage our experience and current expertise,” said Christopher Bender, NCG President.

eFAST supports a broad range of FAA requirements organized into eight Functional Areas. Northcross Group will provide technical services under Business Administration & Management and Computer Systems Support Functional Areas.

For more information about eFast contract, please visit
