FOR IMMEDIATE RELEASE:

Northcross Group Expands Core Banking System Modernization Capabilities

Portland, Maine, September 2, 2014 – Northcross Group (NCG) welcomes Pam McGovern as the newest addition to our team. Ms. McGovern brings over 20 years of experience in the IT and management spheres and most recently as IT Director at Huggins Hospital. Pam has an entrepreneurial background having started a security and consulting firm and having worked with technology startups. Ms. McGovern additionally has significant corporate experience having been part of the senior management team at Huggins and working at larger corporations like Polycom and Au Bon Pain.

Ms. McGovern primarily will be focusing on core system modernization and enterprise blueprinting efforts. Ms. McGovern will be leveraging her diverse industry background with her expertise in data center operations to support NCG clients.

Northcross Group (NCG) is an integration and security firm with offices in Portland, Maine and Arlington, Virginia. NCG delivers highly complex initiatives bridging between technology and business to maximize ROI, ensure security, and compliance in highly regulated environments. NCG provides system and security services in the public and private sectors including healthcare, financial services, energy, and manufacturing. For more information about NCG, please visit www.northcrossgroup.com.
